

## 2024 China Heat Pump Forum & China Heat Pump Industry Annual Conference

**Invitation Letter** 7<sup>th</sup> - 8<sup>th</sup>, August  
Shanghai Fuyue Hotel, Shanghai City, China

I ♥ HEAT PUMP

### About Conference

Welcome to the 2024 China Heat Pump Forum and China Heat Pump Industry Annual Conference. The forum began in 2012 and aims to promote the application of heat pump technologies and the development of the heat pump industry. The forum is the top event for heat pump topics in China, with more than 1500 participants annually, including most of the key heat pump manufacturers, domestic and foreign experts, and business representatives. This forum provides a unique platform for sharing ideas, discussing new technologies, and fostering collaboration.

### Organizer

#### China Heat Pump Alliance (CHPA)

Established in 2008, CHPA has more than 500 members and is the most influential organization in the heat pump industry in China. CHPA's mission is to promote the use of heat pump technologies for sustainable development.

### Agenda

- 6<sup>th</sup>, August--Registration
- 6<sup>th</sup>, August--Football Game and China heat pump alliance board meeting
- 6<sup>th</sup>, August--Welcome dinner
- 7<sup>th</sup>, August--Main Forum, and exhibitions

### 2023 HPF photos

### Event Highlights

- Networking opportunities with 1500+ attendees
- Keynote speeches by top experts
- Attendees can explore a vast range of heat pump technologies and components across numerous booths, providing a hands-on look at the latest innovations
- Panel discussions on industry trends
- Awards ceremony for outstanding contributions
- Business matchmaking and deal-making opportunities
- The annual football Game friendly competition in the heat pump industry promotes team spirit and establishes connections, strengthening communication among attendees

### Conference City

Welcome to Shanghai, the dazzling backdrop for our heat pump conference. This city is a harmonious blend of tradition and innovation, from The Bund's historic charm to Pudong's futuristic skyline. Don't miss the serene beauty of Yu Garden or the bustling energy of Nanjing Road. Shanghai's dynamic spirit mirrors the pioneering essence of our conference, making it the perfect setting for this global gathering.
